“ *I don't even know where to start when it comes to sharing a memory that I have of Gary because there's so many & out of all of them there wasn't many that were bad. Which speaks volumes considering how many years we were the best of friends. Gary was one of the kindest most thoughtful men that I've ever had the pleasure of calling a friend. I will never forget & will always be thankful for everything he has done for me. He was as hardheaded as he was kind. He refused to let me help him the way he did me when I was down on my luck, I guess he was just too proud but I hope he knew how much his friendship meant to me even though we weren't as close as we use to be. He will always hold a special place in my heart as well as many others. RIP Gary I love you buddy*
