“ My brother Gerald was a kind and Godly man. I know his soul is in Heaven right now with Eternal rest. I'm so sorry for the pain and loss the family is going through right now here on earth. I know he was eager to see Jesus and reunite with our Mother in Heaven. Love you brother and I will miss you.

My brother Gerald was a good, Godly man. He told me don't look back there is nothing behind you, don't run from Jesus, Run to him. He always was willing to pray with me no matter what time of day or night. Gerald, Danny and I will miss you, our best fishing friends. I will never forget catching my biggest catfish on your "chicken livers" I know you are in heaven which was your hearts desire, to see Jesus and Mom. I'm going to miss you. Rest for you is eternal. I know you are safe in Jesus arms. I love you brother, thank you for being my friend
