“ Me and my little yorkies miss Tiny and his little yorkie Gizmo so very much..Tiny and Gizmo came to visit every week. Tiny and I would laugh so hard sometimes watching Gizmo mate with my yorkies. Gizmo is the father of one of my favorite little female yorkies. She makes me think of Tiny and Gizmo every day..We all miss Tiny and Gizmo so very very much. We used to. have so much fun together, hanging out, talking and joking around. I had so much fun listening to Tiny when he'd get real wound up in something he would talk about..It's, still hard to believe they're no longer a part of our lives

“ My mother, my little brother and I were sick with the stomach flu. My dad had left not knowing what to do. My Uncle Junior came in and just started cleaning. He helped my mom up and cleaned all of us - one at a time - cleaned our beds, and fixed us some soup.
He never said a word about it. My mother was so grateful. Then he was out the door. That was Junior.

“ Such a sweet heart in such a big man...we hit it off right at first being both outgoing...talked about everything from religion to motorcycles...Im not short but dancing with Tiny I felt like a chipmunk...he always made me laugh even when he didn't have much to laugh about towards the end...it was a blessing to know him...
