

Steve Hampton

April 19, 1952 - March 13, 2022

Steve Hampton unexpectedly passed away on Sunday, March 13th, 2022 at age 69 in Dalton, Georgia alongside his family and loved ones. He was born on April 19th, 1952 to his parents William (Dee) Hampton and Eleanor Hampton in Dalton, Georgia.

Steve, a proud family man, was a husband to Cathy Hampton for 47 years, a father to Brad (Alli) and Kevin Hampton, a brother to Beth (Wayne) Smith, Wayne (Gina) Hampton, and Bobbie (Lee) Hurt, and his personal favorite: a grandfather to Kate, Braiden, and Layna Grace Hampton, and Addi and Emma Bailiff. He loved his family selflessly and wholeheartedly and took every chance he was given to show them off. He was always proudly boasting about his grandchildren to any and everyone who would listen and never missed a game, a performance, or graduation. He was the protector and the biggest supporter of his family.

Growing up, Steve was full of adventure and excitement, living his life to the fullest. He was known to get into mischief growing up and loved to tell the stories of his adventures to his grandchildren and friends. He had the ability to capture an audience and had everyone smiling with just his ear to ear smile. Steve was passionate about vintage cars, a passion that brought him and so many others together. He could be seen every year at the annual Rod Run in Pigeon Forge sitting proudly by his El Camino "Pearl" watching the cars drive by. He was always a hard-working man, serving his country as a military police in the Vietnam war overseas and working at Shaw Industry as a plant production scheduler for 50 years before he retired.

In celebration of his life, legacy, and the love he gave, a funeral service will be held to honor Steve Hampton on Saturday, March 19th, 2022 at 2:00 pm at the chapel of Dalton Funeral Home where Pastor Gary McPherson will be officiating and speeches from his loved ones will be held.

The family will be receiving friends for visitation from 5:00- 8:00 pm on Friday, March 18th, 2022 at Dalton Funeral Home. “ I worked with Steve many years at Shaw Plant 81. Everything written in his obituary is 100%. You were not around him long before you knew his love for his family. You would have thought he was the only person to have grandchildren. 😭 ! He loved life as well. I will never go to Pigeon Forge without thinking of him and the rod run, he so looked forward to that every year. My heart is sad to know he will not be going back. RIP by friend.

Praying for peace and comfort.
